**Praise Report:** We give honor and praise to God for the continuing watch care over Diane Davidson while she is in the hospital. Remember Diane in prayer that God restore her to good health. Thank You for our young people who are willing to take part on Youth Sunday, they did great in leading us in Sunday school and during the worship hour. For our Baptist men who are willing to do for others in your name. We have ample evidence that the Lord is able to guide. The promises cover every imaginable situation. All we need to do is to take the hand He stretches out.
